

## The Sets are Going Up for Frog and Toad, Get Your Tickets Now!

Tenino – Tenino Young at Heart Theatre (TYT) presents the musical, *A Year with Frog and Toad*, July 15 to July 25 in the Tenino City Park at the Quarry Pool. This unique setting is perfect to tell the story of two best friends as they share a year together in their amphibian world. Based on Arnold Lobel's well-loved books, and featuring a hummable score and book by Robert and Willie Reale, this whimsical show follows the two best friends – the cheerful, popular Frog and the rather grumpy Toad – through four fun-filled seasons.

Waking from hibernation in the Spring, Frog and Toad sled down snowy hills, plant springtime flowers, splash in summer swimming holes, rake up autumn leaves and learn life lessons along the way. The two best friends celebrate and rejoice in the differences that make them unique and special. *A Year with Frog and Toad* tells the story of a friendship that endures through the seasons.

TYT knew that the show had to be produced somewhere where covid-19 restrictions could be safely implemented. So, we are asking patrons to follow any covid-19 recommendations for public gatherings.

Mayor Wayne Fournier was excited to have a positive use of the Quarry Pool as it awaits renovation. TYT is building the stage in the kiddie pool area which has been drained for our production.
